**How to Overcome Failing a Division Exam**

Did you know that most candidates fail at least one division while taking the Architect Registration Examination® (ARE®)? If you fail, don't be discouraged—[use these tips to start testing again](#) with confidence.

[Read More](#)**ON THE BLOG****Survey: Awareness and Accessibility on the Path to Licensure**

NCARB has committed to improving accessibility and awareness on the path to licensure—but first, we need your input to better understand the barriers that licensure candidates face. Take NCARB's and NOMA's five-minute survey.

[Read More →](#)**Become an Architect With the Help of Your Local Licensing Advisor**

Licensing advisors are volunteer professionals, educators, and students who help others pursue licensure. Learn how you can get 1:1 guidance through the AXP and ARE by finding your local licensing advisor.

[Read More →](#)**Pathways to Practice**

NCARB is committed to developing a framework that allows multiple paths to licensure, recognizing the variety of educational and career paths that bring individuals into the architecture profession. In a statement last week, NCARB's Board of Directors encouraged all of the 55 U.S. architectural licensing boards to explore a "multiple paths/one goal" approach toward becoming an architect.
