

Explore the latest trends on diversity in architecture and the path to licensure with

NCARB BY THE NUMBERS

Available at ncarb.org/nbtn

Each year, NCARB provides insight into the architecture profession through *NCARB by the Numbers*, a data publication featuring exclusive details on the:

TIME IT TAKES

to earn an architecture license

PASS RATES

for the national licensing examination

NUMBER

of licensed architects in the U.S.

PERCENT

of candidates who stop pursuing a license

DEMOGRAPHIC MAKEUP

of the architecture profession

AND MORE!

**EXPLORE THE
LATEST EDITION AT
[NCARB.ORG/NBTN](https://www.ncarb.org/nbtn)**

The data is gathered from the information held in NCARB Records, including candidates' progress through the national experience and examination programs.

NCARB and the architecture community use the trends highlighted in *NCARB by the Numbers* to inform changes to the licensure path and guide discussions on equity, diversity, and inclusion.
