# NATIONAL ARCHITECT

A newsletter for  
NCARB-certified architects

NOVEMBER 2023

## Achieve Your End-of-Year Continuing Education Goal »

Haven't met your annual continuing education (CE) requirement? Choose from 100+ online courses—all written by industry experts—to meet all your American Institute of Architects (AIA) or jurisdictional CE requirements. Free for NCARB Certificate holders!

[EXPLORE CE COURSES](#)

## FREE CONTINUING EDUCATION

### Subsurface Conditions Part 3: Foundations & General Site Development »

Continue our subsurface conditions series with a deep dive into types of foundations and their suitable applications, plus the development of the overall building site.

[Read More →](#)

### Spotlighting Social and Environmental Attributes to Enhance Preliminary Design »

Take this course to explore the overall design process through the lenses of safety, sustainability, and the intangible qualities that make projects successful.

## VOLUNTEER OPPORTUNITIES

### Serve on a Licensing Board »

Service on a state licensing board is a rewarding opportunity to contribute to the development of architectural regulatory policies that protect the health, safety, and welfare of the public.

The following state boards are currently seeking volunteer architects and members of the public: Arkansas, Colorado, Illinois, Maine, Minnesota, Pennsylvania, and Wisconsin. [Learn more about the roles of state licensing boards](#), or contact us at [council-relations@ncarb.org](mailto:council-relations@ncarb.org) for more information.
