ATTESTATION

Directly or indirectly lying on an attestation can result in disqualification or revoking of license/registration.

I, _____, submit this letter as an official document attesting to the status of my license to practice architecture in support of the Canada/Mexico/U.S. Tri-National Mutual Recognition Agreement.

I confirm that:

My license is currently active and in good standing.

My license is free from any disciplinary actions and/or not in review by a disciplinary committee, or any such board thereof.*

I have maintained compliance with all relevant professional and ethical standards required by my licensing authority.

My license allows for the unlimited practice of architecture.

**If a disciplinary action has been taken against your license, submit the summary finding and official action of the licensing authority, as well as any further explanation necessary, with this form. The accepting organization or participant jurisdiction has the right to request further details.*

I affirm that the above statements are accurate and true to the best of my knowledge and belief and understand that providing false information can result in disqualification from the program or revoking of license/registration or certification.
