### FEATURED BLOG POST

## 7 AXP Tips and Resources for 2025 »

As you work to complete the experience program, take advantage of [these seven tips and free resources](#) from NCARB to help you make the most of your experience and streamline your path to earning a license.

### Learn More

#### AXP NEWS

We've updated the introductory section of the [AXP Guidelines](#) to remove a mention of the now-retired AXP app and to acknowledge additional education pathways into the profession. No program requirements or policies have been updated.

#### EXPERIENCE AREA HIGHLIGHT

### Construction & Evaluation »

Construction & Evaluation focuses on the construction administration and post-construction phases of a project. This includes being out on the job site; meeting with contractors, clients, and building officials; and punch lists.

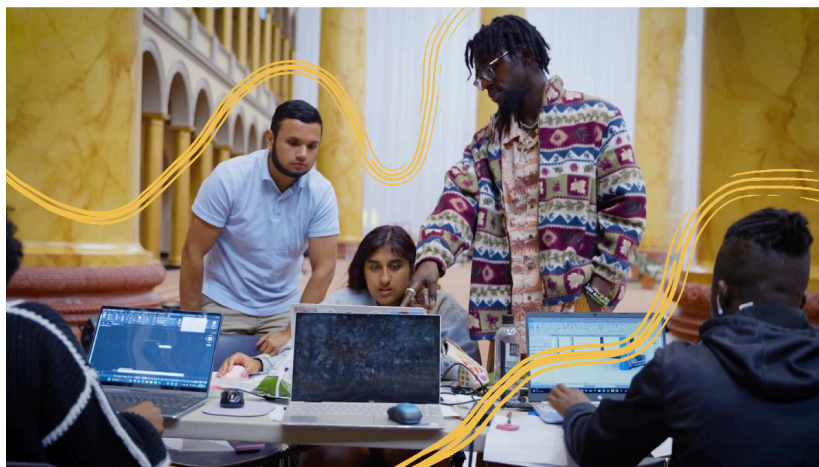

### FEATURED RESOURCE

This resource is designed to help licensure candidates find employers that actively support their licensure goals. The guide provides valuable insights and tips for identifying firms that prioritize your professional development, offer study resources, and provide mentorship opportunities.

#### AXP TIP

### [Connect with a Local Licensing Advisor »](#)

Understanding your jurisdiction's licensure requirements is easier when someone is there to guide you. Find your licensing advisor today using the [Licensing Advisors Lookup Tool!](#)
